**Instructions to Reviewers:**

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose security has been made or a security order has been rescinded.

**Time for Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

The USPTO publishes patent applications at 18 months from the date of domestic filing. The USPTO will delay the publication of an invention made available to a defense agency under 35 USC 184 until no earlier than 6 months from the filing date or 90 days from the date of referral to that agency. This application will be delayed for publication 6 months from the filing date or 90 days from the above date referred. This delay is not a license unless a response is provided to the USPTO regarding this process. Recommendation as to the imposition of a security order.
